**THE QUESTION OF MIXTURE OF SPEECH CODES ACCORDING TO
THE KUTAISI SPOKEN LANGUAGE**

Kutaisi is the central city of western Georgia, Western dialects make the basis of the Kutaisi speech. But it doesn't coincide with these dialects. Kutaisi speech is affected by the Literary language and the speeches of representatives of other ethnic groups.

This paper takes into the consideration the socio-linguistic (age, gender, social condition etc.) data in the analysis of the Kutaisi speech.
