### TOPONYMS FOUND IN THE WORKS OF VAKHUSHTI BATONISHVILI VIEWED ACCORDING TO MODERN DATA

Historically Okriba was composed of parts of the modern districts of Tsageri, Tskalatubo and Terjola. Modern Okriba includes only Tkibuli district. The scholar names sixty macro-toponyms from which few of them have undergone certain phonetical changes in the course of time and some have been altered completely: *dzmuisis xevi ? mdinare Lexidari ...*

A certain number of place-names have entirely vanished from the people's memory.
