

**LELA AVALIANI**

**ON SOME ARABIC BORROWINGS IN THE IMERETIAN AND  
RACHVELIAN DIALECTS OF THE GEORGIAN LANGUAGE**

In a certain period of Georgia's history the Georgian language fell under the Arabic influence. Arabic vocabulary can be traced in both, the literary language and the dialects of Georgian.

In this paper I make formal and semantic analysis of the four lexical units *mutaka, qiamati, sarsali, ghdini*.
