FOR A SPECIFIC CASE OF THE USAGE OF “MEBR” POSTPOSITION ACCORDING TO ONE OF THE GELATI MANUSCRIPT

“Mebr” postposition is verified in the role of preposition in Ioane Petritsi’s works and is the direct translation of Greek “kata” elements. Besides Petritsi’s works we met “Mebr” element in Xiphilinos work. It is also in the function of preposition and is full of with direction of content.
