SOCIOLINGUISTIC ISSUES RELATED TO DIVINE SERVICE IN THE IVERIA, A NEWSPAPER

As we've seen from the issues of newspapers Armenians actively tried to legitimate Armenians blessings in Churches in the cities and the villages of eastern part of Georgia.

Armenians Claims were reinforced by the fact, that Russian newspapers in Tbilisi supported them obviously. Especially "Tipliski listok" and "Novoe obozrenie", where they Armenians claims. Critics of this item is presented in newspaper "IVERIA" (1897 number 125. Saint George. Letter from Dusheti), Where is written "This newspapers try to persuade other, for discriminate Georgians the ological rights and their purity success, meanwhile with chatting about fraternity and unit with Georgians try to persuade us that this item was arised in order to Great hostility among this two nations.

This newspaper rightly condemns Russia, whose one of the means for achievement of its aims was language policy. On its pages much was written on this issue and demanded justice's restoration. This was reinforcement of national self consciousness.
