

## **RAMAZ KHACHAPURIDZE**

### **FOLKLORE AND ETHNOGRAPHIC SURVEY OF ÓKRIBA COMMUNITY**

(According to the materials recorded in 1993-1999)

The Institute of Georgian Dialectology have collected considerable amount of folklore and ethnographic material during 1993-1999 years. Fairy tales, Legends, stories of oral traditions, adventures, modern stories, humorous short stories, puns, puzzles, anecdotes, songs, blessing formulas and incantations, which are characteristic particularly to this region.

The materials present interesting and important task of their studying both in historical and contemporary aspects.
