HISTORICAL AREA OF GEORGIAN SURNAMES DIFFUSION ACCORDING TO MICROTAPONIMS OF ABKHAZIAN VILLAGES

In this work is discussed microtoponims (approximately 70), which were gathered in Abkhazian villages of Abkhazian Autonomy Republic in 1970-1990 years, where one component is Georgian names and surnames. After researching this material, we can conclude, that in all present Abkhazian villages lived Georgians till XVI century.
