MATERIALS FOR LECHKHUMIAN SPEECH DICTIONARY

This paper discusses lexical units recorded in the village of Korenishi, Tsageri region. The materials of the work were handed to the Kartvelian Dialectology Institute, ATSU, (director Professor T.Futkaradze) by Nino Godoladze, a granddaughter of the author. The paper was prepared for publication by N.Godoladze, and the researchers of the Institute Lili Lomtadze and Onise Bandzeladze,. The words discussed in the present paper selected for publication are the ones not recorded or have different semantics in the eight volume “Expanatory Dictionary of the Georgian Language (edited by Arn. Chikobava Tbilisi, 1950-64), and in “The Word Book of Georgian Speeches” (“Kartul Kilotkmata Sitqvis Kona”) (compiled by Al. Glonti, Tbilisi, 1984) and in other published materials related to Lechkhumi.
