### **ANCIENT GREEK AND LATIN VOCABULARY IN GEORGIAN LANGUAGE BY “THE GEORGIAN EXPLANATORY DICTIONARY”**

Latin as well as ancient Greek is recognized to be the languages of the ancient times. Latin and Greek vocabularies still continue their existence in the fields of medicine, pharmacy, music, advertising business, jurisprudence and quotations.

Latin and Greek vocabularies are being used in many languages of the world, among them in the Georgian language. Georgian is very rich language, it as well is ancient language like ancient Greek and Latin. Fair amount of the ancient Greek and Latin words, which nowadays are used in Georgian language, are covered by the eight-volume “The Georgian Explanatory Dictionary” edited by Arnold Chikobava, e.g.: academy, aborigine...
