PLACE NAMES OF VILLAGE DZEDZILETI

The paper deals with the group of the place names of Imereti region studied by the authors within the framework of the grant project supported by Kutaisi Akaki Tsereteli State University. The researched materials include the unique group of the place names attested in the historical documents preserved in Imeretian depositories, particularly, in Khoni History Museum. These toponyms are attested in Village DzedziletiofKhoni district.
