THE REVIVAL OF GREAT SCHOLAR AND PATRIOT

The Article is dealing with the life of Pavle Ingorokva, great Georgian scholar and public figure; and the phases of research on the origins of the Georgian literature and its vital issues.

“TheFate of Pavle Ingorokva”, a biographical novel by Rostom Chkheidzeis a key to understanding scholarly works by Pavle Ingorokva. It combines such tangible episodes of the biography of such distinguishedpersonality, extraordinary spectrum of philological research, intuition and assumptions most of which proved to be true. Though, this should not be just a reason for exultation, but rather as being a revolutionary phenomenon. The book directly andexplicitly reveals all accomplishments and merits of Pavle Ingorokva. Unfortunately, due to his distinguished qualities and virtues he underwent cruelty and tyranny on the part of his colleagues and some bureaucrats.

Pavle Ingorokva’s patriotic spirit and the writer’s artistic temperament inspire us to propose the ideas discussed in the article; these are the first steps towards the study of Pavle Ingorokva’s fate and understanding R. Chkheidze’s mastery.
